GUILD HALL
PRESTON

To raise awareness about the insidious effects of racism and highlight the positive influence of diversity of cultures and communities, Preston is organising a Music Festival led by the Preston & Western Lancashire Racial Equality Council, organised by The Love & Etiquette Foundation and supported by Preston City Council, Lancashire County Council, Preston & South Ribble Trade Union Council, UCLAN, Preston Black and Minority Ethnic Forum, and Preston College to name a few.

Featuring a multi-talented line up of artists that cover Soul, Reggae, Hip Hop, Indie, Rock, Spoken Word, Tabla, Sitar and Nasheed.

This promises to be a fantastic afternoon promoting diverse cultures and communities through inspirational lyrics and music.
